accessories

accessorise your vehicle in style

Choosing accessories is an essential step in making your new Renault Megane E-Tech 100% Electric even more comfortable and personalised. And match your style.

HI-808-MO

exterior design

1. **satin grey door mirror shells**
   (96 3H 134 96R)
2. **starry black shark antenna**
   (28 21 632 35R)
3. **customisation roof stickers - shark antenna**
   (73 86 570 30R)
   also available for versions with a conventional antenna
   (73 86 537 67R)

customised design

Don't be afraid to show your character. Go high with the new Renault logo-inspired stickers to customise your roof. You can also choose the satin grey door mirror shells to highlight the unique design of your vehicle. Add a starry black shark antenna, a perfectly integrated accessory that adds a sporty feel to the vehicle (depending on the version).

design - wheel rims

1. **20" Soren wheel rim**
   (40 30 066 32R)
2. **20" Enos wheel rim**
   (40 30 085 08R)
3. **18" Oston wheel rim**
   (40 30 020 15R)
4. **new Renault logo centre cap and wheel locks**
   (40 31 535 00R) (82 01 724 186)

sporty wheel rims

Accentuate the sporty side of your Renault Megane E-Tech 100% Electric with wheel rims and big tyres that will give real presence. Two sizes and three wheel designs to choose from: 18-inch Oston, 20-inch Soren and 20-inch Enos. Need snow chains? Opt for the 18-inch wheels. Winter tyres or all-weather tyres? Indulge yourself with the 20-inch wheels and secure it all with black wheel locks.

style in every detail

Open your door to experience the elegance of Renault. Featuring a refined steel finish and white timed lighting, your doorsills are as useful as they are protective. Choose your custom-made textile floor mats in carpet and premium finishes with a choice of gold or silver stitching. Complete the look in the boot with a high-quality mat to protect it from dirt and wear.

HI·808·MO

accessories for calm, secure journeys

Make every journey, whether it's an everyday trip or a jaunt off the beaten track, as electrifying as it is quiet with our selection of comfort, transport and protective accessories. The power of your Renault Megane E-Tech 100% Electric is also demonstrated by its towing and carrying capabilities.

charging

1. **charging cable handle**
   (82 01 738 553)
2. **mode 2 charging cable for domestic socket, mode 2 charging cable with flex charger, mode 3 cable**
   (77 11 943 515) (29 69 040 59R) (77 11 943 517)
3. **cable tie and storage bag**
   (77 11 943 110) (77 11 943 111)
4. **false floor for cable storage**
   (84 9P 312 79R)

cables and storage

Everything is simple when everything is electric. As standard, the 5m mode 3 charging cable is used on wallbox home charging points (1hr charge/50km range) and public charging points (20 mins/50km). For greater options, this cable is available in a 6.5m version as an accessory. Add the occasional-use flex charger cable for use with enhanced domestic socket (2hrs/50km) and/or the occasional-use domestic cable suitable for standard domestic sockets (3hrs 20 mins/ 50km). And for even greater convenience, get the special cable storage bag, cable handle or cable tie. And the cable storage false floor for a perfectly tidy boot!

transport - towing

1. **tool-free removable towbar pack and three-bike Coach bicycle rack** (77 11 948 076) (77 11 780 885)
2. **tool-free removable towbar pack** (77 11 948 076)
3. **swan neck towbar pack** (77 11 948 077)
4. **tool-free removable towbar pack** (77 11 948 076)

multiple towing options

Choose to live your passions to the full thanks to a complete range of towbar options: swan neck or tool-free removable towbar. Megane E-Tech 100% Electric has a remarkable towing capacity: up to 900kg for the 220hp model (500kg for the 130hp model), meaning it can tow a jet-ski or a small boat. The 75kg carrying capacity of the Renault towbars means you can carry several bicycles on a rack.

transport - roof storage

1. **quickfix roof bars and 480-litre rigid roof box with new Renault logo**
   (73 21 017 89R) (77 11 948 972)
2. **quickfix roof bars and Expert bicycle rack**
   (73 21 017 89R) (77 11 780 147)
3. **quickfix roof bars and Thule Snowpack six-pair ski carrier**
   (73 21 017 89R) (77 11 940 001)

increase your loading capacity

Ideal for increasing the carrying capacity of your vehicle, quickfix roofbars can carry up to 75kg. You can attach a ski rack that holds up to six pairs of skis or a bike rack to carry your equipment easily, safely and without reducing your visibility. Why limit the number of bags? Renault's rigid roof boxes with a capacity of 380 to 630 litres offer additional, secure and lockable loading space. Without making any concessions in terms of aesthetics.

comfort - life on board

1. **Handpresso travel coffee machine**
   (77 11 940 552)
2. **modular centre console organiser**
   (98 49 004 73R)
3. **Kidfix XP group 2-3 child seat**
   77 11 940 745
4. **hanger and multifunctional system**
   (77 11 785 946)
5. **aviation tray on multifunctional system**
   (77 11 785 947)

onboard comfort

Enjoy every moment on board. Simple and innovative, the modular centre console organiser comes with freely positionable pins to keep your personal belongings within easy reach: notebook, diary, telephone, wallet, etc. Put your jacket on the hanger on the headrest and let the journey begin! Feel like a coffee during a break? Prepare it with the Handpresso mobile machine, place the cup on the back shelf of the multifunctional system and enjoy the flavours.

comfort - boot layout

1. **false floor for cable storage**
   (84 9P 312 79R)
2. **horizontal boot storage net**
   (77 11 227 501)
3. **vertical boot storage net**
   (77 11 227 502)
4. **portable boot organiser**
   (82 01 585 488)
5. **false floor for cable storage**

everything in its place

No matter how the road bends, your belongings stay put thanks to the vertical or horizontal storage net, or the clever portable boot organiser. And the false floor has two impressive benefits: it raises the boot floor, providing improved access and ergonomics and maintains the original storage volume. And with its compartments, storing all your stuff has never been easier.

built-in

1. **rubber floor mat**
   (82 01 738 743)
2. **comfort textile floor mat**
   (82 01 740 259)
3. **easyflex modular boot protection**
   (82 01 740 236)

protect your interior

Showers, dirty objects, wet equipment or shoes... Protect your vehicle's interior from the elements with a range of floor mats custom-designed to fit quickly and securely with clips. From heavy-duty loop pile carpeting to waterproof rubber high-edge mats, they are easy to maintain. The easyflex modular boot protection is non-slip and waterproof. It can be folded and unfolded to cover the load area in any configuration.

safety

1. **alarm**
   (25 69 156 80R)
2. **premium grip snow chains**
   (77 11 780 259)
3. **standard snow chains - 9mm**
   (77 11 578 472)

your safety comes first

Install an alarm that detects opening or intrusion attempts and movement, with a anti-lift alert module. Did it snow overnight? Snow chains can be added to your 18-inch wheels: why not treat yourself to premium grip snow chains that are easy to install thanks to an intuitive automated mounting system, and offer improved grip on snow and ice.
