Clio in a new light

Designed to combine a passion for design with driving pleasure, Renault accessories are based on ingenious solutions and attractive finishes, transforming every journey into a personalised experience.

rear spoiler and side skirt guards

Accentuate the sporty character of Renault Clio by highlighting its rear silhouette with the glossy black boot spoiler.

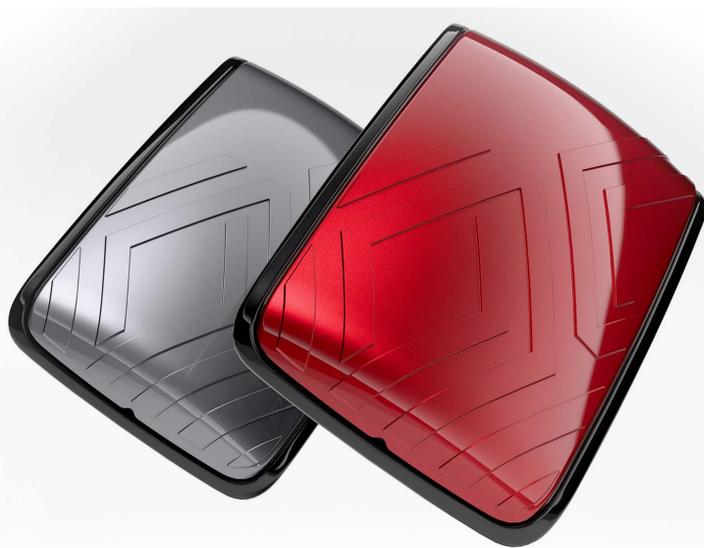

rear spoiler

The side skirt guards accentuate the bold lines and protect against splashes, scratches and gravel on the bodywork.

side skirt guards

Add style to your hands-free card with the Renault cover⁽¹⁾, which easily replaces the original one without the need for tools. As a nod to the car's colours, it comes in absolute red or schist grey, adding an elegant touch to your keys.

customised hands-free card holders⁽¹⁾

assertive interior styling

Everyday pleasure with the range of bespoke mats, premium comfort and esprit Alpine. The flagship finish reinforces Renault Clio's sporty personality with its exclusive esprit Alpine branding and blue topstitching.

esprit Alpine mats

To complete the experience, illuminated door sills bearing the Clio logo emit a white light every time the door is opened, day or night.

YouClip attachment system

Immerse yourself in a world where style meets functionality. The innovative YouClip system, with its headrest base mount that attaches to each front headrest, provides a clever attachment point for fixing smart, modular accessories to suit your needs.

YouClip - headrest base mount and coat hanger

Essential for attaching your YouClip accessories, the YouClip base mount fits easily onto each front headrest and provides a secure anchor point.

YouClip - headrest base mount

Say goodbye to wrinkled clothes with the YouClip coat hanger. Perfect for business travel.

YouClip - coat hanger

The YouClip 3-in-1 accessory combines three clever functions: a multifunctional drink holder that keeps your drinks within easy reach and offers two additional attachment points, an LED lamp for precise lighting, and a handy hook for hanging bags, jackets or small items. Modular and portable, these three accessories can be used separately, wherever and whenever you want.

YouClip - 3-in-1

The YouClip multimedia tablet holder allows rear passengers to comfortably watch movies or TV series or use apps. A clever accessory that turns every mile into a moment of pleasure.

YouClip - multimedia tablet holder

With YouClip, clip on your smartphone holder in one simple step and keep it within sight at all times. The induction charger allows you to charge it easily, simply by placing it on its base.

YouClip - smartphone bracket

YouClip - induction charger

an organised day-to-day

The multifunction holder attaches to one of the front headrests; combined with the fold-down aircraft-style tray, it allows you to place a book, snack or water bottle in its cup holder. The tablet can be replaced with other accessories from the same multifunctional system.

multifunctional holder and fold-down tray

Transform your Renault Clio into a company vehicle with a complete conversion kit, including a plastic tray with impact-tested load restraint to protect front passengers, side trim, a non-slip mat, a cargo retention net and a luggage cover. It can be completely dismantled, allowing conversion into a private vehicle so that it can be enjoyed in all circumstances.

company vehicle conversion

finishes preserved

Protecting your Renault Clio from the elements and wear and tear will help it retain its shine for longer. Protective accessories, both external and internal, contribute to this every day.

reversible boot liner

The reversible fabric and rubber protective mat, bearing the Clio logo, effectively protects the boot carpet. Its semi-rigid, waterproof material and raised edges form a barrier against everyday dirt, making it ideal for carrying urban or dirty items.

reversible boot liner

Rubber mats specially designed for Renault Clio protect your floors. They are waterproof and easy to maintain, and can be easily attached to the driver's side using their secure clips.

rubber mats and illuminated door sills

Fit Renault Clio with front and rear mud flaps. By reducing the amount of mud, water and gravel thrown up, they protect the lower bodywork and preserve the car body.

Renault front and rear mudguards

optimised roof storage

Roof storage systems allow you to transport your equipment safely in all conditions.

roof bars with ski rack

Boost Renault Clio's transport capacity and opt for a Renault roof box. Fixed to the roof bars, the range combines practicality and robustness with its three additional load sizes: 380 litres, 480 litres or 630 litres.

380-litre roof box on roof bars

Take your bikes everywhere, in complete safety. The roof rack bike carrier is easy to install and adapts to many different bike sizes, making it the ideal companion for your sporting adventures.

roof-mounted bike rack bars

For your winter destinations, you can easily transport up to 6 pairs of skis on the roof.

4-pair ski rack on roof bars

custom tow bars

Tilting bicycle racks, Renault Aero Cargo Box™, two combined towbar-mounted transport solutions to extend the modularity of Renault Clio.

tool-free removable towbar and Renault aero cargo box™

Save space and increase efficiency with the Renault aero cargo box™ towbar-mounted box: optimised storage capacity of 310 litres, aerodynamic design and ingenious versatility that allows it to be installed on the bike rack platform.

bicycle rack and aero cargo box™ Renault

The range of tilting towbar bike racks allows you to transport up to 4 bikes safely, while still maintaining access to the boot of your vehicle.

platform bike rack for 2 bikes

Fixed gooseneck hitch or ball joint that can be removed without tools, they allow a towable weight of up to 900 kg and a load-bearing weight of 75 kg. Ideal for towing a trailer or transporting a bike carrier with ease.

Swan-neck towbar

anticipate, warn, protect

In all circumstances, the security range helps you to anticipate the unexpected and limit risks, by offering reliable solutions to protect your vehicle and its contents.

Protect your wheels with anti-theft bolts: robust and easy to install, they offer enhanced resistance against attempts to remove them.

grey and black wheel anti-theft system

Snow, ice - face extreme conditions with confidence: standard or premium grip front snow chains optimise grip in the toughest driving conditions.

standard snow chains

premium grip snow chains

With its triple detection system, the Renault alarm secures your vehicle and its contents, deterring any intrusion or forced towing.

perimeter, volumetric and anti-lift alarm

The 1 kg fire extinguisher is always accessible and can be used quickly. A metal bracket, sold separately, ensures optimal positioning in the car.

attachment and 1 kg fire extinguisher
