organise your comfort

Renault's range of accessories ensures that the on-board experience is as comfortable and organised as possible. Keep your belongings within reach or store them easily to make the most of your living space.

organiser on front seat back, rear multifunction system with headrest support and picnic table.

A rear armrest, storage compartment and elegant backpack all in one, your belongings follow you everywhere in dedicated compartments.

moveable rear armrest

Computer, smartphone or water bottle, all in one place. Elegant and practical with its 7 pockets of different sizes and its digital tablet holder function, it can be easily attached to the back of the front seat.

multifunction organiser on front seat

Indulge in a feeling of well-being with the high comfort cushion on headrest, its Alcantara® covering and memory foam.

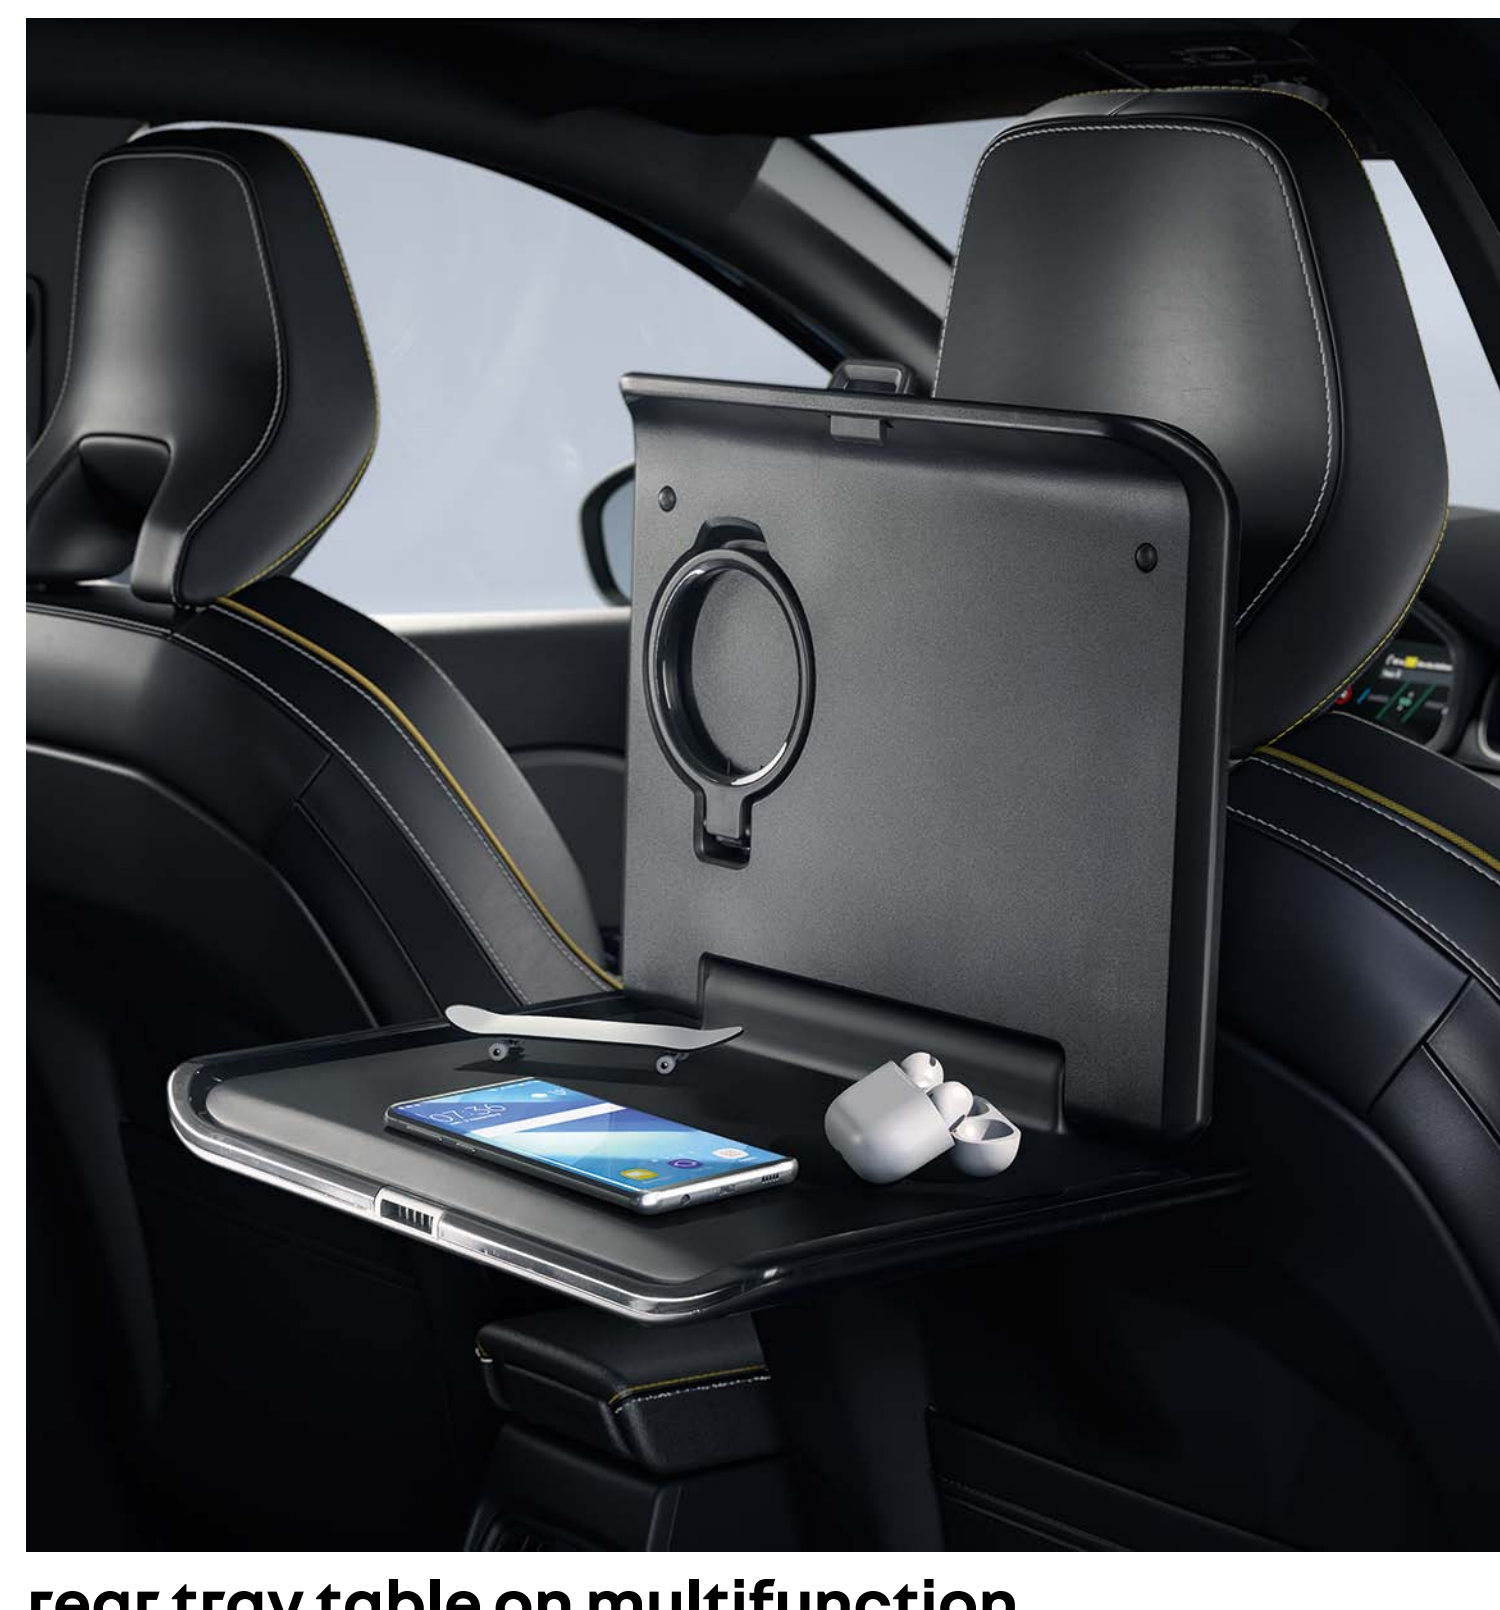

black high-comfort cushions on rear headrests

Hang your children's accessories on the multifunction system on the headrest, or unfold the rear tray table for entertainment, work or a picnic.

hook and multifunction bracket on headrest

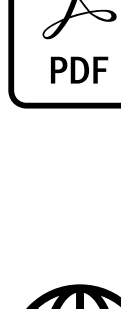

rear tray table on multifunction bracket

Double protection will be your best ally to prevent children's footprints. The backrest of the front seat and the bench seat are untouched. Well thought out, the design harmonises with the passenger compartment.

the essentials for protection

Carry your items in any weather with easyflex waterproof and non-slip boot liner. Suitable for all rear bench configurations, once fully unfolded, it covers the entire boot up to the loading sill.

easyflex modular boot protection

The boot carpet is protected with the reversible textile/rubber boot tray. Install it in the blink of an eye and clean it easily.

reversible boot tray, rubber side

reversible boot tray, textile side, and boot sill

Horizontal or vertical, the boot storage net is also a storage solution. Organise and hold your items to better protect them during transport.

horizontal storage net

vertical storage net

Choose your mats to suit your lifestyle: premium textile for elegance, or high-edge rubber for all-weather outings. The range meets all needs.

premium textile floor mats, Renault illuminated door sills and sports pedal unit

Renault comfort floor mats and door sills

Renault rubber floor mats and door sills

Take advantage of perfectly fitting, protective and elegant seat covers to preserve your interior.

towbars to suit your needs

Everything becomes possible with the right towbar, such as transporting your bicycle rack, trailer, boat or caravan.

tool-free removable towbar pack, 3-bike bicycle rack, Quickfix transverse roof bars, side step pack and 480-litre roof box

Transport your bikes in complete safety with the range of tilting bicycle racks. Your bicycles are securely fastened and you can still access the boot with this practical and safe solution.

towbar-mounted bicycle rack with 2 bikes

swan neck towbar pack

tool-free removable towbar pack

multiple carrying solutions

With the Renault range of boxes, you have a loading volume of up to 630 litres on the roof. With their aerodynamic profile and their logo with the new brand identity, they perfectly match the elegance of Renault Symbioz.

Renault 480-litre roof box

Whether you're going for a leisurely ride or strenuous exercise, whatever your objective, you can take your bike with you wherever you go thanks to the bike carrier fitted to the secure roof bars, which are also compatible with a ski rack for your winter adventures.

quickfix transverse roof bars and bicycle rack

quickfix transverse roof bars and ski rack

Drive off with peace of mind with these roof bars installed on the roof. Practical with their quickfix tool-free secure attachment system.

quickfix transverse roof bars

commercial vehicle conversion pack

Convert your passenger vehicle into a commercial vehicle with this ergonomic and functional kit. It includes a plastic tray with a crash-tested load stop. It can be supplemented by a partition grille and a luggage space cover. Fully removable, it allows easy conversion for versatile use.

your own special touch

The design makes a statement with your own personal touch. Choose the shade of colour and style that suits you best from the range of exterior customisation packs, side steps and underbody welcome light.

highland grey door mirror shells and underbody welcome light

By fitting Renault Symbioz with side steps, you can stand out from the crowd while making it easier to access the vehicle and its roof. The style bars play the sophisticated design card.

side step pack

offroad styling bar pack

Find your vehicle easily in the dark. The light comes on as you approach to better guide and welcome you.

underbody welcome light

Customise your vehicle according to your preferences, from door mirror shells to front and rear bumpers.

highland grey exterior customisation pack⁽¹⁾

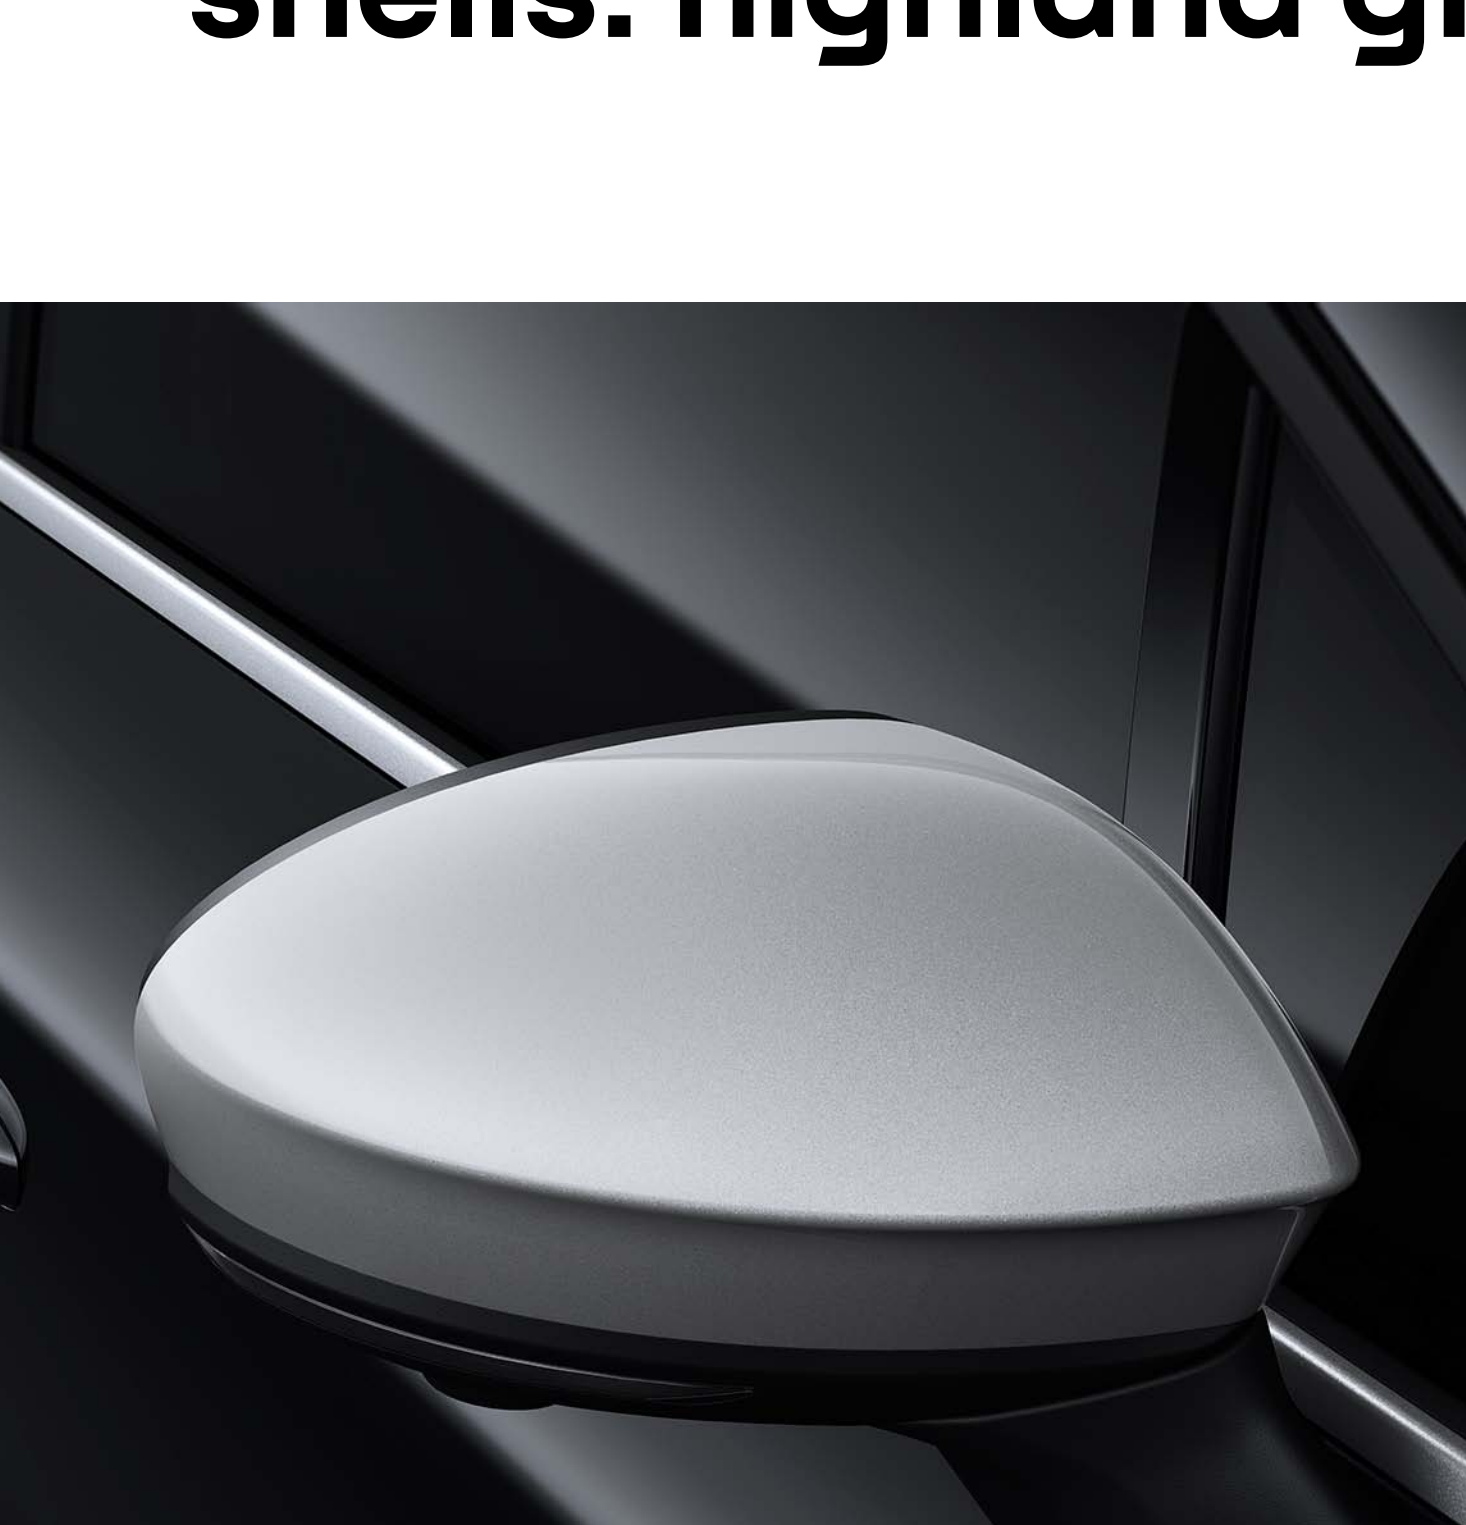

pearl greige exterior customisation pack

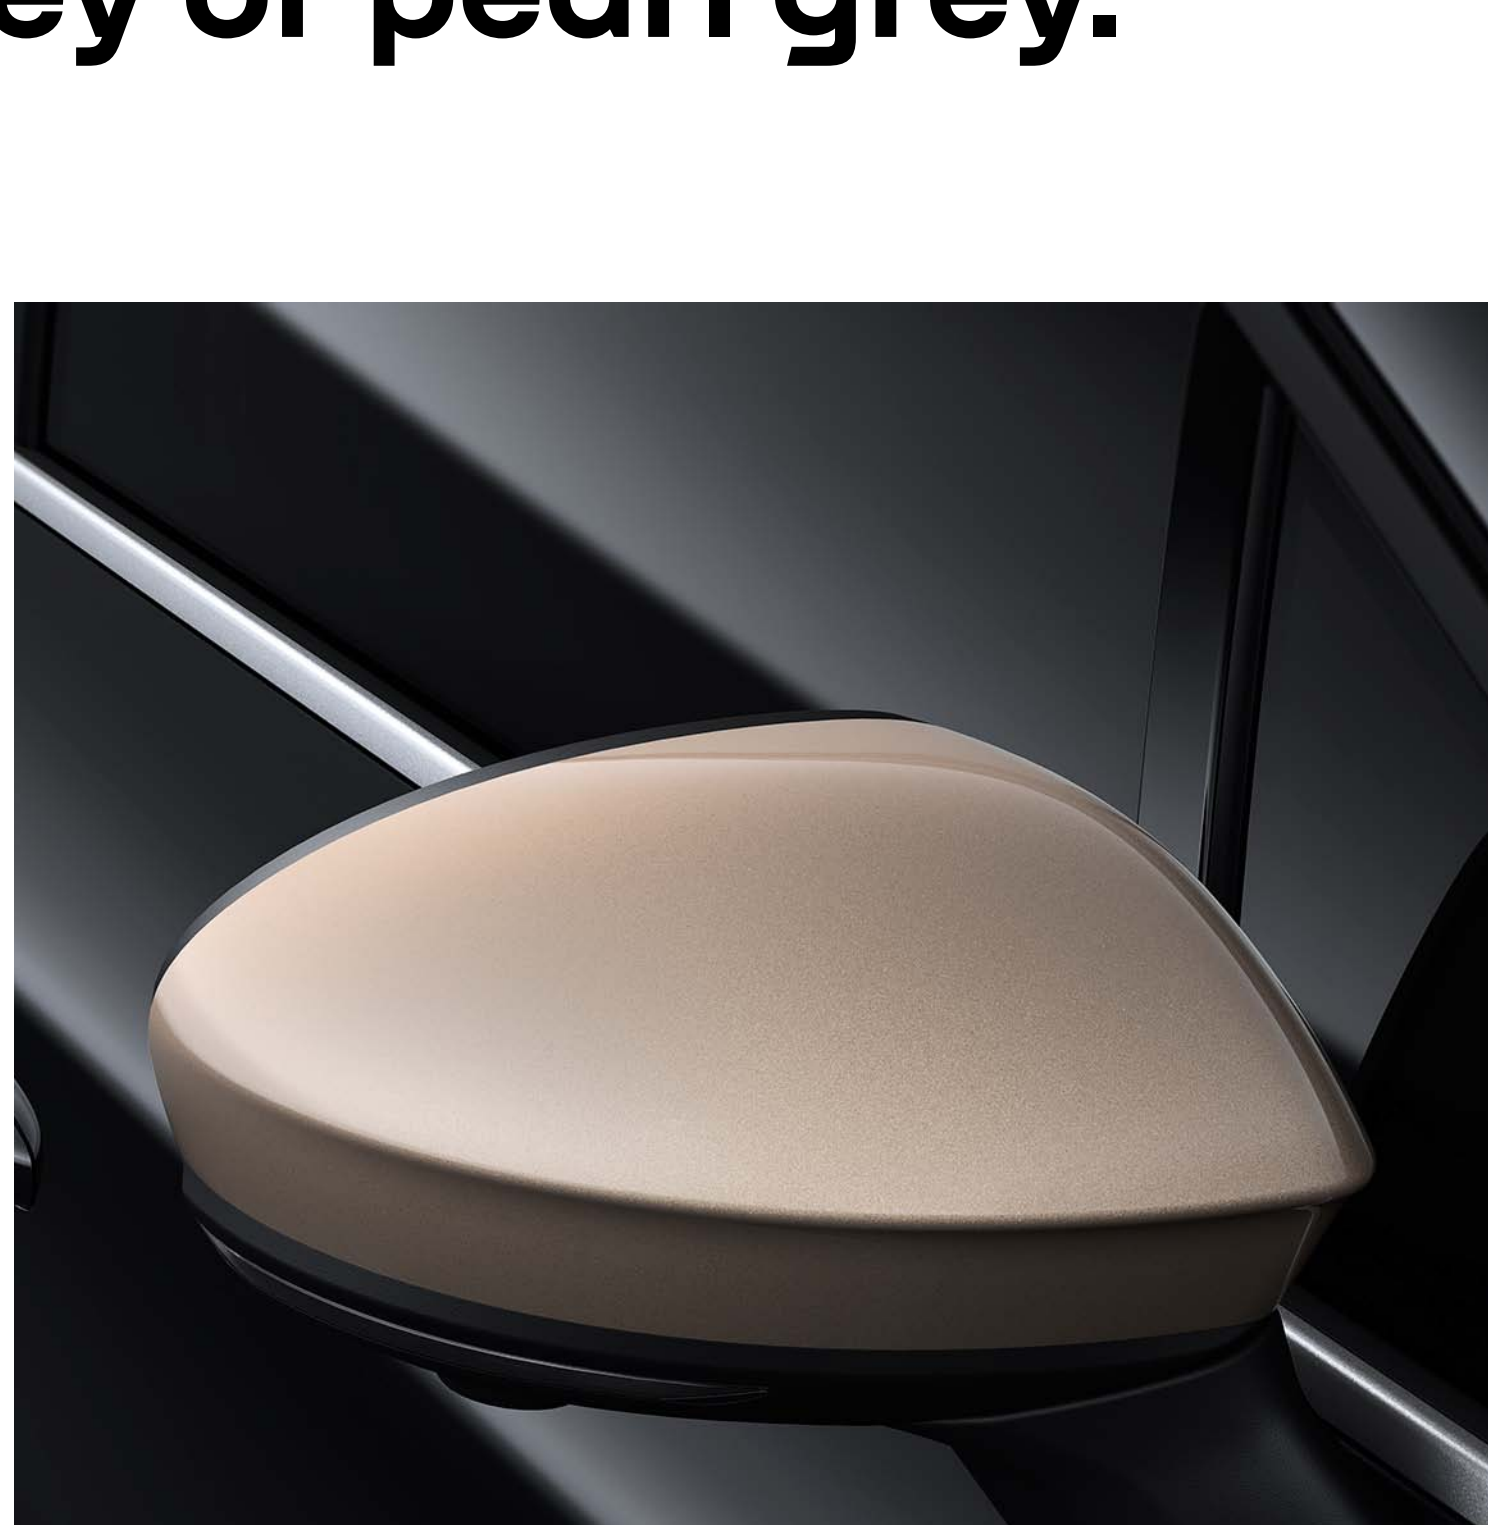

glossy black exterior customisation pack

Express your personality through your choice of colour of door mirror shells: highland grey or pearl greige.

highland grey door mirror shells

pearl greige door mirror shells

(1) recommended for the evolution and techno equipment levels.

sporty interior

The esprit Alpine version sets the tone for sporty chic, quite simply distinctive, with the floor mats featuring iconic blue stitching and exclusive Alpine branding.

esprit Alpine textile floor mats

With aluminium sport pedals and illuminated door sills, you can enjoy a sporty, modern ambience every day.

premium textile floor mats, Renault illuminated door sills and sports pedal unit except for esprit Alpine version

customised security

Whether it is snowing or icy, tackle extreme road conditions with comfort, grip and safety. These snow chains are simple and quick to install.

premium grip snow chains

Secure your wheels with an effective range of anti-theft protection systems.

locking wheel nuts for alloy wheels

Avoid the risk of your vehicle being stolen. Sensors detect any attempt to open, break in or remove the vehicle, and your alarm sounds a warning.

alarm

Front parking sensors help you park easily. The system detects any obstacles you cannot see in front of the vehicle and warns you with an audible warning.

front parking sensors
